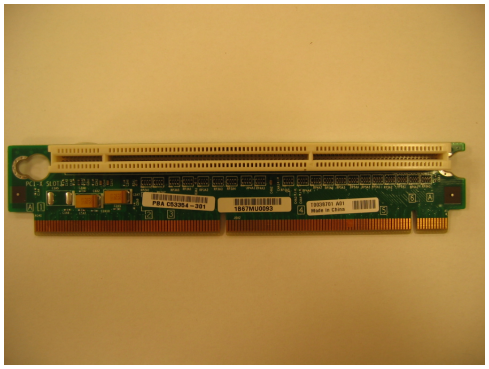
How To add the R520 PCI-X Riser card

46.R51PC.I01

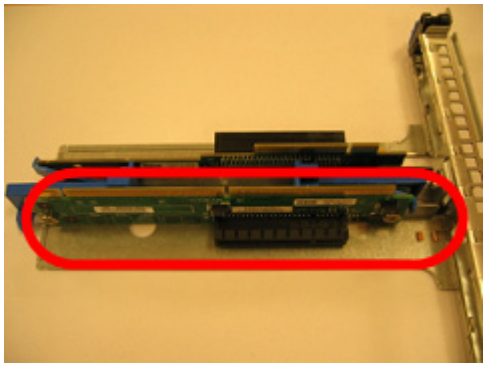
1

In the option box there is a PCI-X riser card like the one shown here:



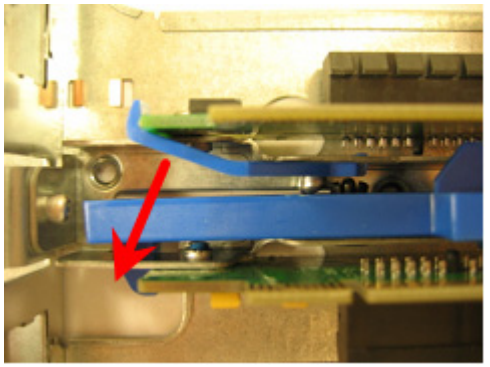
2

Unplug the riser card from the Altos R520 and identify the Full Height Riser card



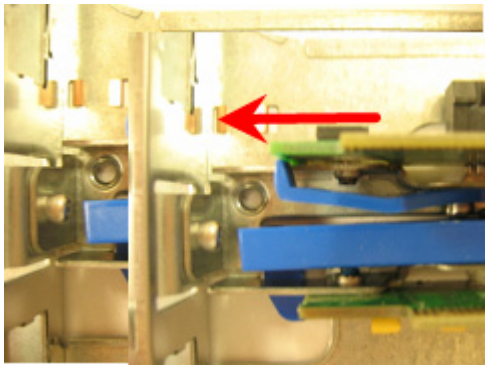
3

Pull the plastic hook like it is shown in the picture



4

Shift the card like in the picture to unlock and remove the card.



5

Plug the new PCI-X card and shift it to lock.

6

The riser card is ready to be installed.
